

General Instructions

Conditions:

- SANAD will fund research projects related to pediatric cancer only.
- Applicants must be Saudi citizens or residents in the Kingdom of Saudi Arabia. Any research conducted outside Saudi Arabia will not be eligible under this program.
- Applicants should have at least five years' experience after training completion; for example, residency and fellowship will be considered as training years for physicians.
- Research Projects will be granted also to students ONLY if they have a supervisor, who meets experience criteria mentioned above, from the university to oversee the search.
- Candidates should submit their applications' forms and research project proposal by using the guidelines of the program.
- Funding for research projects will be granted to Physicians, Nurses, Pharmacists, Social Workers and other healthcare professionals who involved in providing medical and psychological care for children with cancer and their families.
- SANAD ONLY provides financial funding without providing laboratories for the researchers.

General Terms:

- The maximum of one project is (36 months), starting from the date of signing contract, and the minimum duration is (6 months).
- The payments will be disbursed based on quarterly payments (3 months) of the project duration.
- No Financial support 'salary' is provided for Manpower of the project such as principal and co-principal Investigator.
- Publication and travel costs do not fall within the research budget, but it will be paid later to the researcher after he/she gives all the Original receipts to SANAD.
- Travel expenses include only one researcher from the research team, in order to present the project as oral presentation in one of the international conferences, not as a poster.

Nomination :

- All applications must be thoroughly fulfilled, and send it to the email following : **scientificgrants@gmail.com**
- Research project proposals will be reviewed to confirm that the requirements and conditions are met prior to be submitted to SANAD Scientific Research Committee.
- Upon recommendation by this Committee, SANAD Board of Directors will finalize the decision-making process for funding the projects.
- Letters will be sent to confirm the research funding to the winning candidates.

Selection Criteria:

- Selection of the research projects approved for the grants will depend on the scientific merit, regardless of nationality, religion, or sex.
